

THINGS FOR PARENTS TO KNOW

1. (678) 416-2054 – Andrew Toney
2. **Students Need to be at the Church on Monday morning, no later than 9:00 am**
3. We really want students to be focused on the Word during services and spend time with the group. Please encourage your student to only have their phone out to call you. If you are having trouble contacting them, feel free to contact a leader.
4. Any damage done by your student will be your responsibility. Meaning you will reimburse the church if we are charged for any damage by Laguna Beach Retreat Center. FOR EXAMPLE: A sheetrock hole = \$50
5. Please inform your student not to bring anything with them that will create a distraction between them and the camp experience. This could be anything and something you know about so please strongly encourage them in this. If we notice something we will gladly free them of this burden during the week and return it upon arrival at the church on Friday. That means **NO XBOX or any other Gaming Console.**
6. We will return home Friday Evening at approximately **6:00 pm.**
Students will call as we enter Lagrange to give you a heads up.
7. Money – please pay full balance before **Monday, June 27th**
8. Camp Updates – We will be updating arrival and departure as well as periodically through the week. If you are currently a part of the Rock Communications group, you'll get the updates. If you're not a part of that now's a great time to do that. Simply shoot an email to andrew@roopvilleroad.org with your personal information (**name, number, cellphone carrier**) and we will get you added to our RockSM communication. UPDATE: THIS YEAR FOR CAMP WE WILL BE USING REMIND (the same one the schools use) TO COMMUNICATE. PLEASE CLICK [HERE](#) TO BE ENROLLED.
9. **Please pray!!!** Many adults discount the possibility of God doing something through a student. This saddens me but also is a source of motivation. These students are special and have purpose. So, join with me and be praying for this week, pray for change, for awakening!
10. Engage your student after camp. Don't let them forget the work the Lord is doing in their heart!
