TITUS

BE | DO GOOD

THE CHANGE
Titus 3:4-7

{What you believe influences what you do so in all you do **REACH**}
- go further in and deeper down -

Bottom Line from Titus 3:4-7:

In the midst of the filth, according to His own mercy, God saved us

Keyword phrase → **God saved us** (we didn't do the saving)
BUT WHEN...

What is Mercy?

What is Grace?

What does it mean to be declared justified?

The Kingdom - DNOW PREVIEW and SETUP

The Kingdom has come - through _____
The Kingdom is here as we submit to His rule and reign
The Kingdom is coming, when Jesus makes all things new.

The Kingdom of God is here as we live our lives for His glory.
The Sermon on the mount helps us see what this life looks like.

all this push me to respond?

Q1 - Where does tonight leave you?
Confident and thankful OR confused and scared? Why?
Ultimately, what is the only thing we can truly be confident?
Where do we see this from our Scripture tonight?

Q2 - With Titus 3:3-7, how should we live our lives?
Should this change the way we think of ourselves, our abilities?
Should this change our dependence?
Should this change what's most important in our life?
Should this change how we do things in life.
Talk these out...

Q4 - Do you struggle with having too much confidence in you?
How about feeling inadequate or useless?
What does this say about how we depend on God to
meet needs and change us?
Read Proverbs 3:5-6 - What does the Bible say about the above?

Q3 - *On your best day, in your best moment, with your best attempt you still fail miserably.* **BUT WHEN** the goodness and loving kindness of God our Savior appeared, He saved us.
Real Quick - who should get ultimate glory
for anything good you've done?
How is this seen in our life and how could it be seen?
Does your life look different because God has saved you? How?

-
1. Think through the Kingdom - How would you describe the Kingdom of God if we're saying it has come, it is here and it is yet to come?
 2. What are some things that are preventing you from living a life that represents the kingdom well right now? What needs to happen?
 3. How does where we're headed this weekend, understanding what it means to live life differently fit well with what we heard in Titus tonight?
