REACH

philippians 3:12

The Creed
maker of heaven & earth
Genesis 1, Ps. 104, Ps. 19

{What you believe influences what you do so in all you do **REACH**}

The Bible's first comment is what? to declare who made the earth

The importance is on the who not on the how.
but the how is simple too - He spoke and it happened

Why is it important to believe this -

1. It stops misunderstandings of God
sometimes we get the pecking order messed up
2. it stops misunderstandings of the world
when our view of God is wrong our view of the world is wrong
3. it stops misunderstandings of ourselves
when our view of God is wrong our view of us is wrong.
Imago Dei - We are made in the image of God.
This...is....huge...

bottom line:

God made all that was made and all creation belongs to Him

What Now?

1. It should change our view of God and our allegiance to Him
2. It should change my friends, how I date, how I attend school,
how I drive, walk in life
3. It should change how I declare His worth.
4. Reach for understanding daily.
Do I approach this God the same way I do _____?

I must get in the Word so the Word will get in me.

Q1 - What stood out from the text or message tonight?

Q2 - When we say that we believe that God is the maker of heaven and earth what are we really saying? (bottom line)

Q3 - What is your response to the bottom line? How should this change things for you? How does this change our friends, dating, pursuits and way we view life and walk through life?

Q4 - How can/do I share God's love in the midst of a creation/ evolution discussion? Is this important.

Q5 - What do we base this belief and reality of God being the maker of heaven and earth from? Where is our support biblically?

Q6 - Read Romans 1:18-25 - How do we see this today? Specifically v. 25. How does this relate to tonight and how does this stress the importance of this belief...true belief.

Q7 - How were we created? How should we live? Genesis 1:27

Q8 - Why is God being creator such a foundational belief we need to dive into?

Q9 - What is the significance of God's words - "Let there be..."

Q10 - What encouragement are you leaving with?

What's your next step of action?

How will you advance after what you've heard?
