# Don't Waste Your Life

---

## TREASURE CHRIST

The Start  
I Cor. 6:19-20

{How to avoid a wasted life}

**to reach - go further in and deeper down -**

Bottom Line

Treasure Christ above all things

**1. You are not your own - The what**

**2. You were bought with a price - The Why**

**3. So glorify God with your life - The So Then**

As we consider all that God has done it really is a no brainer that we should then spend every ounce of our lives to make much of Him, in whatever situation we encounter, to God be the glory.

Understand the main thing about life and pursue it in all you do

**Q1** - What stood out from tonight's sermon and Scriptures?  
How does all this push me to respond?

**Q2** - What are some things you treasure greatly?  
Do you ever feel these things becoming your "main thing?"  
How do you guard against this?  
How could you guard against this?

**Q3** - Is it bad to have hobbies or things you care for and give time to daily, weekly, or yearly?  
When is it that these things become bad or harmful, an idol?

**Q4** - Why did the old man in Piper's story cry and weep and say....  
"I've wasted it, I've wasted it."

Have you ever felt like you've wasted an opportunity on something that didn't matter?

**Q5** - How has what you care about changed over the last 5 years?  
Do you think things will continue to change?  
How is caring mostly for the "main thing" a good idea?  
How would this help walk through life.

**Q6** - Spend time looking at verses on the cross.  
Talk through some places you could keep it to serve as a reminder of what Jesus did for us and what the "main thing" is all about.
