TITUS

BE DO GOOD

The Review

Titus

{What you believe influences what you do so in all you do **REACH**}
- go further in and deeper down -

Bottom Line

In light of Gods grace we should be and do good.

Three Big Themes through Titus:

1. Identity (1:1-4) 1:1- 2:10

in light of grace, the struggle, and the task at hand

2. Grace (2:11-14, 3:1-7) 2:11-3:7

consider all that God has done for you.

choosing not to leave you in your lost state He has sent His Son to save you and give you the awesome purpose of shining brightly for Him.

3. Action (Titus)

As we consider all that God has done it really is a no brainer that we should then spend every ounce of our lives to make much of Him, in whatever situation we encounter, to God be the glory.

IDENTITY:

Q1 - What battles are you facing? What situations are you in where you need to be reminded of your identity in Christ?
How is your life similar to what Titus was going through here?

Q2 - Are you certain you have an identity in Christ? Are you His?

Q3 - How would this identity be an encouragement?

GRACE:

Q1 - How much do you lean on, depend on, trust in the hope God provides in Christ Jesus?

Q2 - Do you feel as though you need Him, God?
Is this lean in what you trust in daily?

Q3 - Think hard about where you would be without His grace?
How does that look?

ACTION:

Q1 - What are you displaying? Think through your daily, weekly routine. What are you displaying?

Q2 - What happens when you're squeezed? What comes out?

Q3 - What is one word that describes your actions?

Q1 - What stood out from tonight's sermon and Scriptures? How does
at this push me to respond?

Q2 - Read over the points from the sermon tonight and talk
about what each of them mean and what they are
pushing us to do?
